About The Arc

The Arc of Bergen and Passaic Counties, Inc. is a private not-for profit organization dedicated to assisting individuals with intellectual and other developmental disabilities such as autism, epilepsy and cerebral palsy.

More than 250 professional and support staff and volunteers offer a comprehensive array of programs and services to over 1,200 Bergen and Passaic County residents with disabilities and their families.

Our services include:

- ◆ Early Intervention services for infants and toddlers
- ◆ Family Support and Respite services
- ◆ Vocational and Employment services
- ◆ Residential Homes and Apartments
- ◆ Adult Day Programs
- ◆ Recreation and Summer Camp

Most services are provided at no cost or on a sliding fee scale basis. Therefore, we depend heavily on your generous support of The Arc by walking with us this year and/or through one of our sponsorship opportunities.

Mission

To provide enhanced opportunities for all citizens of Bergen and Passaic Counties with intellectual and other disabilities and their families through advocacy, community education, direct services, and customized supports to help these individuals attain and maintain fulfilled and independent status within their own communities and to initiate actions to prevent the occurrence of disability whenever possible.
